CONSULTATION **Q + A**

Have you reviewed my existing space? What elements are working? What elements are not?

What color schemes do you suggest based on the look and feel I want for the room?

What natural traffic patterns do you see and how do you suggest the furniture be arranged to suit that traffic flow?

DESIGN **CONSULTATION** WORKBOOK

CONSULTATION **Q + A**

What furniture will best suit the character of my home and the scale of the space?

Will the upgrades I'm considering for this project increase the value of my home?

What storage solutions for this space would you suggest to best suit my family and needs?
